

XVII Convocation

18th March, 2023

भारतीय सूचना प्रौद्योगिकी संस्थान इलाहाबाद

INDIAN INSTITUTE OF INFORMATION TECHNOLOGY ALLAHABAD

XVII *Convocation*

CHARTER

- ▶▶ To train and educate at certificate, diploma, undergraduate and postgraduate levels, engineers of outstanding ability, who may become leaders in the Information Technology industry and profession.
- ▶▶ To carry out advanced research and development in leading edge technology areas in computer hardware & software, which can be useful on a comparatively long term basis.
- ▶▶ To develop and promote national and international linkages by way of adjunct faculty, partnership in research, student exchange, credit transfer and joint degrees.
- ▶▶ To work for the creation and development of resource databases, associated software and courseware for all important applications, so as to ensure future availability of newer software technologies for English, Hindi and other Indian languages.

MISSION

- ▶▶ To be a unique and world class nucleating "Apex Centre of Excellence" in the area of Information Technology and Allied Sciences, so as to enhance India's technological strength in Information Technology and for becoming a pace-setting institution for other similar institutes to be established in the future.
- ▶▶ The institute seeks to derive its strength from a linkage with sound indian traditions of centuries past, and sets out to create knowledge-based resources in regional languages.

(NAME LIST TO BE READ FROM LEFT TO RIGHT STARTING FROM BOTTOM AND UPWARD, IN ROWS)

SEATING ROW : Prof. Manish Goswami, Dean Academic. Dr. Kanchan Kumar Tiwari, Assistant Registrar (AAA)
Prof. R.S. Verma, Director-IIITA, Dr. Asheesh Kumaar, Joint Registrar (AAA).

STANDING ROW : Mr. Chandra Shekhar Tripathi, Mr. Anoop Kumar Verma, Mr. Ashutosh Shukla
Ms. Gayatri Kashniyal, Mrs. Asha Shukla, Mr. Ramesh Rai, Mr. Santosh Kumar Mishra,
Mr. Mohd. Saleem Ansari, Mr. Santosh Kumar, Mr. Akhilesh Kumar.

XVII Convocation

SCHEDULE

Sl. No.	Timings	Programme
Academic Procession to Convocation Hall		
1.	14:30 Hrs.	Welcoming of Dignitaries (Chief Guest; Chairman, BOG; Chairman, Senate; Deans, all members of the Board of Governors, the Senate and all Professors)
2.	14:53 Hrs.	Academic Procession proceeds to the Convocation Hall.
3.	15:00 Hrs.	Lighting of Lamp and Saraswati Vandana
Opening the Convocation (Convocation Address)		
4.	15:07 Hrs.	17 th Convocation is "DECLARED OPEN" by the Hon'ble Chairman, BOG.
5.	15:09 Hrs.	Institute Report & Address by the Director, IIITA.
6.	15:30 Hrs.	Address by the Chairman, BOG.
7.	15:51 Hrs.	Convocation Address by the Chief Guest.
Awarding of Degrees		
Awarding the Ph.D., Dual Degree M.Tech.-Ph.D. and Dual Degree MBA-Ph.D.		
8.	16:11 Hrs.	Award of Degree of Doctor of Philosophy, Dual Degree M.Tech.-Ph.D. and Dual Degree MBA-Ph.D. Program.
Awarding the M.Tech., MBA, MBA (Working Professionals), Dual Degree B.Tech.-M.Tech. & Dual Degree B.Tech.-MBA		
9.	16:17 Hrs.	Award of Degree of M.Tech., MBA, MBA (Working Professionals), Dual Degree B.Tech.-M.Tech. and Dual Degree B.Tech.-MBA Program.
10.	16:31 Hrs.	Hon'ble Chief Guest; Chairman, BOG and Chairman, Senate will bestow Medals & Merit Certificates to recipients.
Awarding the B.Tech. Degrees		
11.	16:17 Hrs.	Award of Degree of B.Tech. Program.
12.	16:49 Hrs.	Hon'ble Chief Guest; Chairman, BOG and Chairman, Senate will bestow Medals to recipients.
OATH & Closure		
13.	16:57 Hrs.	The Hon'ble Chairman, BOG signs the Scroll for award of degrees.
14.	16:58 Hrs.	Exhortation by the Dean (Academics and R&D)
15.	17:00 Hrs.	Presentation of Mementos.
16.	17:02 Hrs.	The Hon'ble Chairman, BOG declares the "CONVOCATION CLOSED"
17.	17:04 Hrs.	National Anthem of India (<i>Spoken, audience sings along with the record being played</i>)
18.	17:05 Hrs.	Academic Procession Departs along with the Band
19.	17:10 Hrs.	The Academic Procession reaches the Senate Hall.

Research & Development Section

NAME LIST TO BE READ FROM LEFT TO RIGHT STARTING FROM BOTTOM AND UPWARD, IN ROWS

Seating Row : Prof. Manish Goswami (Dean (R & D)), Prof. R.S. Verma (Director-IIITA)
Mr. Ranjeet Banerjee (Assistant Registrar (R&D))

Standing Row : Mr. Rahul Tripathi, Mr. Bhoopesh Tiwari, Mr. Gaurav Tripathi

The Director

Prof. (Dr.) R. S. Verma

Director, IIIT Allahabad

XVII Convocation

PROFILE

Professor Rama Shanker Verma FNASC, FBRSI, FAMI

Professor Rama Shanker Verma completed his graduation and post graduation from University of Allahabad, doctorate from Jawaharlal Nehru University, New Delhi in 1986 and Post doctorate from School of Medicine, Indiana University Medical Centre, Indianapolis, USA in 1991.

Professor Verma made outstanding contributions in the development of indigenous medical devices and in tissue engineering. He has to his credit various projects funded by acclaimed institutions such as DRDO, IIT, MHRD and many others. He has guided many PhD, M.Tech and MS thesis and has published around 200 research papers, book chapters and reviewed papers in reputed journals.

Professor Verma has been honored with prestigious awards such as the LifeTime achievement award by Nature Science Foundation Coimbatore and the ABAP Senior Scientist Award.

Professor Verma was Formerly Head of the Laboratory of Stem Cell and Molecular Biology, Department of Biotechnology, Bhupat and Jyoti Mehta School of Biosciences, Indian Institute of Technology, Madras, Chennai-Tamilnadu, India

Professor Verma was Adjunct Professor at Faculty of Science, Engineering and Technology - Swinburne University of Technology, Melbourne, Australia [2016-2019] and Research Assistant Professor at Department of Medicine, Indiana University Medical Center, Indianapolis, IN, USA [1999-2000]

Professor Verma also hold position as Head, Pharmacology Division-Lupin, Pune [2004] and General Manager, Department of Biotechnology- Cadila Healthcare Ltd., Ahmedabad.

Professor Verma is a Fellow of National Academy of Sciences India, Fellow of Society for Applied Biotechnology, Fellow of Association of Microbiologists of India, Fellow Madras Science Foundation and awarded with Applied Biotechnology and Applied Pharmacy Senior Scientist Award-2014, Genome Pioneer Recognition Award-2008. His area of research are

- i) Trans-differentiation study of stem cell into cardiac tissue and elucidation and mechanism and genetic and epigenetic level
- ii) Study on 3D culture of stem and cancer cells under microgravity
- iii) Construction of novel cyto-lytic fusion proteins (immunotoxin) against cancer
- iv) Drug Delivery System against leukemia
- v) Liver and Heart-valve tissue engineering
- vi) Elucidation of Notch and Wnt signaling pathway in Fanconi Anemia (Rare blood disorder)

Professor Verma has following to his credits :

Patents Filed – 23

Granted – 3

Transfer to Industry – 1

Professor Verma had edited following books

- i) Resistance to Immunotoxins in Cancer Therapy (2015) Edited 319-17274-3 ISBN 978. © Springer International Publishing Switzerland.
- ii) Rama S. Verma and Seeram Ramakrishna: Eds Biomaterials: Biosensors (2020) current opinion in Biomedical engineering Published by Elsevier Inc. Netherlands

XVII Convocation

Institute Report & Address

सृजन वृन्दं उपस्थित जनगण, चिर अभिनन्दन सबका
राष्ट्र चेतना नित-नव जागे, हो सुमंगल सबका

I welcome you all to the 17th Convocation of Indian Institute of Information Technology Allahabad, Prayagraj.

Convocation is not merely a customary event of awarding degree to successful aspirants but also a special occasion for channelizing your dreams and aspirations into a source of power and innovation.

We congratulate the latest batch for the high quality of education and brilliant success it received and the mutual relationship and respect it earned. Your incessant hard work, efficiency of the teachers and support of your parents equally deserve our commendation.

This day is very special to all the outgoing students in many ways.

Firstly the students are now formally graduating. This day is therefore a proud moment for not only students but also to their proud parents and faculty. Today, when you leave this hall, you will carry the skill, knowledge and all the precious moments which you have experienced when you were students of this institution.

The second most delightful moment of this convocation is the presence of Chief Guest Dr. Sriram Rajamani who is Distinguished Scientist and Managing Director of Microsoft Research India and his work in the field of computer science and engineering particularly in programming languages, systems, security, and formal verification is known to all. The work done by him is also in theme of IIIT-A's vision. Thank you Dr. Sriram for agreeing to be the chief guest for this occasion.

The third most delightful moment of this convocation is the presence of legendary Dr. Anand Deshpande, Honorable Chairman Board of Governors, IIIT Allahabad and the Founder, Chairman and Managing Director of Persistent Systems Limited. Dr. Anand Deshpande has always been very supportive and his presence in this campus has always been a source of enthusiasm for all.

XVII Convocation

The persons sitting inside this beautiful auditorium are blessed to have Dr. Anand Deshpande and Dr. Sriram Rajamani with us.

Dear Students,

I feel very proud of each and every one of you. This convocation is very special as inspite of pandemic situation occurring in between your academic span, you have completed your degree in time and have now come out with flying colors. This is really a festive moment and it shows that you were always committed, dedicated, and have shown perseverance and discipline throughout your journey at IIT Allahabad. I am therefore confident that you will surely be a winner whenever any challenges and opportunities are going to knock your door.

Ours is a prestigious institute, a committed institution responsible for a number of achievements. It has nurtured your talent and given you a wide canvas, kindling a fire within you and activating your mind's eye. You came here as a smart effervescent youth with anxiety and fear of the unknown and parting now with accomplished professional skills and cheerful spirits.

This moment of passing out of the institute is a big moment, as you are stepping out from a close classroom situation to a bigger world of immense possibility, where you can use your knowledge, skills and unique potentials to realize your goals. By granting you the degree the institute demands your commitment. Before entering this institution, your pre-ordained notions were focused on getting good grades and good job offers but with a long spell of experiences and experiments, you must have realized that your development needs something more creative than mere academics. So, it is the time you extend your learning and skills beyond the classroom to the community.

In class you develop your concepts and now life has given you an opportunity to develop your personality and make your country well off.

Here begins the journey of your life, the Amrit Mahotsav of your being. Identify your prospective area of work and dedicate your might to it.

Science and technology is the most important pillars of modern life. Technology has its way in almost all spheres of our life. It is revolutionizing and easing life all over the world. It is the solution for several challenges of

XVII Convocation

life, our future depends on it.

As a techie, techno and technical hand, concentration on what you can do for the country. Material benefits should never be the be-all and end all of your endeavors or profession.

You exist for service and live not by years but by your actions.

योग, यज्ञ, तप, धर्म

All emanate from Karma.

Our holy scriptures testify it

‘योगः कर्मसु कौशलम्’ यज्ञ कर्मसु मदमनः

कर्मण्येवाधिकारस्ते धर्मचर

So, fulfilling the needs of the people, your future obligations should be directed towards selfless service to humanity and nation. Step out from old to new. Do things differently. Contribute new ideas of sustained growth to the nation. Relax but always look for something new for. You are going to be a forerunner of a discernable change.

Dear students, always remember one things that

Failure is just one event in anyone's life and is never permanent.

On the similar front, success is also never permanent.

One should therefore always remember that

Failure and success are parts and parcels of life and will come and go

In the life which you will lead now, you may receive successes and failures.

Hence never feel saddened in odd times and

Overconfident on achieving success.

Always be ready to learn and grow.

Always remain curious, and never stop learning.

The life is all about learning new things and helping others on each and every day.

The foundation built here at IIIT Allahabad has prepared you well for overcoming challenges life is going to through on you.

As the Director of IIIT Allahabad, I am confident that the teaching inculcated

in you, will make you a good human being. Always strive for excellence and be compassionate and empathetic towards others. The values, ethics, integrity imbibed on you are the ingredients required for successful and fulfilling life.

I am delighted to share with the august gathering that almost all the students have been placed in reputed companies and have already become the ambassadors of IIIT Allahabad. Some of them had already taken admission for higher studies outside India. A total of 226 companies visited IIIT Allahabad last year. The highest package offered was around Rs 1.2 Crores per annum. A total of 319 students were placed from B. Tech. program (including Dual degree), 137 from M. Tech. program and 29 from Management program.

IIIT Allahabad has been featuring regularly in rankings of institutes and universities across India and the world, compiled by various agencies. These rankings are done based on various criteria such as research outputs including publications, citations and patents, placement of students, international collaborations etc. Some of the recent rankings show that as per NIRF in engineering, QS world ranking and India Today-MDRA (Engineering), IIIT Allahabad got 93, 1001-1200 range and 9th rank respectively. This shows the contribution made by our students, faculty, officers and staff. Within just 20+ years of existence, IIIT Allahabad has made its presence felt both outside and inside India. IIIT Allahabad has also received around Rs 275 lakhs grant during the last one year and had successfully organized several conferences, seminar and training programs. IIIT Allahabad has also set few goals to address the challenges faced by the society. In this front, the two centres and various labs of all four departments are working hard. The prototype development, patents, products, innovation, research & development support, MOUs are just a few wings which in future will help the institute to grow and fly.

India is known for the ethical values. Ethics is an integral part of life and of a profession as well. Try to harmonize science and spirituality as the sage scientist, Einstein opined- "Science without conscience results in ruin of nation".

XVII Convocation

Live mindfully but be wise and kept three Ds (द) in mind

दत्ता

दयाध्वम

दमयता

Which means Give or contribute, show sympathy and suppress your selfish passion. Be cool and calculating, sincere and tenacious, loyal and trustworthy, loving and lovable. Don't be stressprone, do not accumulate unwanted thoughts, do not instill fear of future and do not harbor thoughts of harassing anybody.

Life is a vessel filled up to the brim so that you can neither dip nor draw from it. But, one who pours in charity finds love flowing out of it while Malice overflows hatred and nothing else.

Make in India logo is not only a symbol but a sublime suggestion and promise. The wheels denote dynamism, the prowling Lion, strength and determination. These are the values you need to inculcate, the values pointing the way to a vibrant future. See how the national programme has been designed to transform India into a global manufacturing hub. Stick to your commitments and gear up your potential opening following.

Remember the word of Upanishad reiterated by Swami Vivekananda-

“उत्तिष्ठत जाग्रत प्राप्य वरान्निबोधत”

As a driving force Awake, Arise and Act on the lines of your gurus.

As you go and step out from here, I wish you all the very best for your future endeavors.

Lots of congratulations and best wishes to all of you.

May you achieve great success and happiness.

Together we will win.

Thank you

The Chairman

Dr. Anand Deshpande

Chairman
BoG, IIT Allahabad

XVII Convocation

PROFILE

Dr. Anand Deshpande is the Founder, Chairman and Managing Director of Persistent Systems Limited. Persistent Systems is a global Company with more than 23,000 employees in 18 countries. The Company is listed in BSE, NSE and is expected to cross a Billion Dollars in revenue this financial year.

Anand holds a Bachelor of Technology (B. Tech.) with Honours (Hons.) in Computer Science and Engineering from the Indian Institute of Technology (IIT), Kharagpur, and an M.S. and a Ph.D. in Computer Science from Indiana University, Bloomington, Indiana, USA. He has been recognized by both his alma maters — as a Distinguished Alumnus in 2012 by IIT Kharagpur and by the School of Informatics of Indiana University with the Career Achievement Award in 2007.

Prior to founding Persistent Systems, Anand began his professional career at Hewlett-Packard Laboratories in Palo Alto, California, where he worked as Member of Technical Staff from May 1989 to October 1990.

Over his career, he has served numerous positions at various professional and non-profit organizations, prominent being, founding trustee of Persistent Foundation, NASSCOM's Executive Council, SEAP (Software Exporters' Association of Pune) and Pune Chapter of CSI (Computer Society of India), CII's Pune Zonal Council. Part-time member of the Unique Identification Authority of India (UIDAI), Vice President of the Mahratta Chamber of Commerce Industries and Agriculture (MCCIA), founding President of the Association for Computing Machinery (ACM) India, Trustee in the Computer History Museum, founding member of iSPIRT.

Currently, he serves as a Trustee of Persistent Foundation, Member of the Dean's Advisory Council in the School of Informatics of Indiana University, Member of the Executive Committee of MCCIA, Chairman of the Board of

XVII Convocation

Governors of IIT Patna, Chairman of the Board of Governors of VJTI, Mumbai and is the interim Chairman of the Board of Governors at IIIT Allahabad. In addition, he is on the governing board of the College of Engineering, Pune and on the board of Gokhale Institute of Politics and Economics, Pune.

Anand is also a founder member of Inter Institutional Inclusive Innovations Center (i4C). i4C is an independent, non-profit entity which acts as a platform to pro-actively scout, showcase and handhold technology innovations, especially aimed at the base of the pyramid. With members of his family, he has established DeAsra Foundation (<http://www.deasra.in>), a non-profit entity which focuses on creating self-employment at scale. DeAsra has supported more than 200,000 nano entrepreneurs.

Dr Anand Deshpande has made it to two exclusive lists, the Forbes Global List of Billionaires and the Forbes Asia Philanthropy List.

After transitioning from the role of CEO at Persistent, Anand is committed to making a broader impact and is focused on data, higher education, and entrepreneurship.

Anand is married to Sonali and they have a daughter and a son.

XVII Convocation

Address

We are here to celebrate the 17th Convocation Ceremony of IIIT Allahabad. It is a coincidental fact that the IIIT Allahabad is situated in “Prayagraj”, one of the oldest cities of Bharat, and is considered as the city of knowledge, “the Gyaana”. It has a beautiful emblem containing a tag line in Sanskrit with two words that is, “प्रज्ञानम् ब्रह्मः”, which means “the Consciousness is the Brahmah”, by the confluence of thoughts and knowledge, like the confluence of Ganga, Yamuna, and Saraswati creating “the Sangam”. IIIT Allahabad is truly a Sangam of continuous and diverse “Thoughts and Knowledge”.

With the reality of COVID-19 behind us, I am delighted to be here in person on this magnificent campus for this important celebration. The last few years have been difficult for all of us, and on this occasion, I take a moment to salute the relentless efforts made by the staff, faculty, and students. They were undeterred by the global pandemic and found innovative ways to engage and keep academic activities going without compromising the quality of learning outcomes.

Thanks to their efforts, we can celebrate today’s Convocation or the “दीक्षांत समारोह” This is a momentous occasion and an important milestone in your academic journey. I wish you all the best as you enter the exciting new world of challenges, opportunities, and responsibility. I am confident you will make a positive difference in the world around you with the skills and expertise you have acquired here at IIIT Allahabad. I am proud to share that IIIT Allahabad is running many specializations at Post Graduate and PhD level like Robotics and Machine Intelligence, Human Computer Interactions, Data Engineering and Data Science, Machine Learning and Intelligent Systems, and Cyber Law Information Security. These specializations which make the IIIT Allahabad special, and are in line with the current industry trend, and having good potential to contribute the society. IIIT Allahabad also signed many MoU in recent past with many internationally acclaimed universities from USA, Germany, Sweden, Italy, Taiwan, Vietnam, Spain, and Russia to create an extraordinary environment for teaching, learning, research, innovation, and cross cultural exchanges, truly generating a great feeling of “वसुधैव कुटुम्बकम्”.

The Masters and PhD for working professionals is a well thought program and a good way to connect with the national and international research laboratories and industries for sharing and harnessing the technical expertise for solving the real industrial and societal problems of India. I believe our programs will augment and strengthen our mission of “Entrepreneurship and Innovation” and will encourage more students to become entrepreneurs and researchers.

XVII Convocation

Our chief guests of the day– Dr Sriram Rajamani, the Head of Microsoft Research, India , the entrepreneur and innovator is completely in-line with our mission. IIIT Allahabad is having the responsibility to be the fountainhead of knowledge in the various domains of theoretical and applied Information Technology and allied areas. Knowledge is worthy when it is useful for the common man and leads to innovations that solve society's problems. Various IIITA Units, like the New Gen IEDC, Design and Innovation Centre Spoke, Centre for Cognitive Computing, and Centre for Intelligent Robotics have been instrumental in this quest to transform knowledge into valuable technologies. Beyond academic excellence, IIIT Allahabad has created a culture of contributing to society. Apart from the core academic duties, the faculty members and students have been engaged in helping the local, mostly deprived, community around Jhalwa through various outreach programs like “उन्नत भारत अभियान” and “प्रयास”. I am confident that IIIT Allahabad's contributions to society will continue to grow in the years to come.

On this occasion, let me extend a warm welcome to all who have accepted our invitation to be present here. I want to thank the parents and the well-wishers of young students graduating today. Without your support, their life would have been more challenging. It is my privilege to extend my heartiest congratulations to the graduates from IIIT Allahabad. Furthermore, I extend my best wishes and blessings to the students as they join the workforce on their way to becoming leading technocrats, researchers, entrepreneurs, and academicians of the future. We are blessed that on this auspicious occasion we have one eminent personality amongst us today, who is very relevant to IIIT Allahabad's core strength. I look forward to the inspiring and enlightening messages from our Chief Guest of the day, Dr. Sriram Rajamani Ji. Dr. Sriram Rajamani did his PhD in Computer Science at UC Berkeley and currently a Distinguished Scientist, and Managing Director of Microsoft Research India.

I congratulate all the graduating students for fulfilling the requirements, clearing the bars, and making themselves capable of being awarded with the respective degrees. The Journey has just started and I am sure you will always keep the IIIT Allahabad flag very high when submerging with the society.

I thank and convey my best wishes to all the other students, faculty, and staff members of IIIT Allahabad for their relentless efforts toward seeking excellence.

With these words I am closing my address.

जय हिंद! जय भारत!

XVII *Convocation*

The Chief Guest

Dr. Sriram Rajamani

Managing Director
Microsoft Research India

PROFILE

Sriram Rajamani is Distinguished Scientist and Managing Director of Microsoft Research India. Sriram is an ACM fellow, INAE fellow, and winner of the Computer Aided Verification Award. His work has impacted both academic and industrial practice in programming languages, systems, security, and formal verification. He is currently working on reimagining programming by combining machine learning with program analysis and synthesis. Sriram did his PhD in Computer Science at UC Berkeley.

Sriram's research interests are in designing, building and analyzing computer systems in a principled manner. Over the years he has worked on various topics including Hardware and Software Verification, Type Systems, Language Design, Distributed Systems, Security and Privacy. His current research interest is in combining Program Synthesis and Machine Learning.

Together with Tom Ball, he was awarded the CAV 2011 Award for "contributions to software model checking, specifically the development of the SLAM/SDV software model checker that successfully demonstrated computer-aided verification techniques on real programs." Sriram was elected ACM Fellow in 2015 for contributions to software analysis and defect detection, and Fellow of Indian National Academy of Engineering in 2016.

Sriram co-founded the Mysore Park Series, and the ISEC conference series in India. He serves on the CACM editorial board as co-chair for special regional sections, to bring computing innovations from around the world to CACM.

XVII Convocation

Convocation Address

1. **Friendships:** I will recall from my own experience of friendships that I developed in college, both while studying and learning together, and while having fun. I will recall how these relationships have stood the test of time and provided me support over many years, and encourage the graduates to nurture and cherish friendships with each other.
2. **Life-long learning:** Exams will stop after college, but learning shouldn't stop. I will talk about importance of life-long learning and thoughts on how to keep learning fun and enjoyable, instead of being stressful, over many years. I will also discuss two key reasons why life-long learning is more important to this graduating class now (1) increasing human life spans, and (2) rapid changes in the technology.
3. **Unique opportunities and challenges facing the graduates as experts in computing during this era of AI:** I will try and explain in simple terms how AI has evolved over the years, the key ingredients of large language models and experiences such as ChatGPT, what these generative models are able to do today, and what they will likely be able to do in the coming months and years. I will also talk about broader societal implications of generative AI, the potential for disruptions, and call on the graduates to be on the driver's seat instead of being spectators of such disruptions.
I look forward to attending your convocation ceremony and engaging with all of you!

Megha Goyal Memorial Gold Medal

Late Ms. Megha Goyal was born on 26th March 1987 to Mr. Dinesh Chandra Goyal and Mrs. Manju Goyal at Dhanbad, Jharkhand. Since her early student life, characteristics of a meritorious student were exhibited by her. In the year 2003, Ms. Megha was enrolled in this Institute for the B.Tech. (Electronics and Communication Engineering) Degree Course. Ms. Megha displayed her prodigious talent in the Institute's examinations and impressed her colleagues & teacher. Unfortunately, in the fourth semester, she suddenly passed away from an incurable disease, which left an irreparable loss to her family, Institute and the society. Megha Goyal Memorial Gold Medal has been instituted in her fond memory to conferred upon the girls students of B.Tech. ECE, who has obtained the highest SGPI in the 3rd Semester Academic batch from amongst the graduating student.

XVII Convocation

दीक्षान्तोपदेशः

संस्मरन्तु भवन्तः भवदीयमिदं ज्ञानविज्ञानं राष्ट्रस्य पवित्रतमो निधिः। तस्माद् अस्योपयोगः स्वदेशस्य स्वशिक्षणसंस्थानस्य च गौरवानुरूपं सम्यग् विद्यातण्यः। कस्यामपि दशायां भवद्भिः स्वकीया व्यावसायिकी मर्यादा, चरित्रिकी महत्ता च सयत्नं संरक्षणीये। मनसा, वाचा, कर्मणा च सर्वथा लोक कल्याणाय प्रयत्नीयम्। अनुशासनप्रियैः सदा भाव्यम्। स्मर्यताञ्च श्रुतेर्वचनम्।

“यानि अनवद्यानि कर्माणि तानि सेवितव्यानि नो इतराणि।”

EXHORTATION

Remember that your knowledge and intellectual attainment is the most sacred wealth of the nation. You shall therefore, use it in a manner befitting the honour and dignity of your country and of your alma matter. you shall make every efforts, in all circumstances, to uphold the dignity of your profession and integrity of your character. You shall endeavour, in every way, through thought, word and action, to bring about the well-being of people. You must live a well-disciplined life. Never forget the commandment of the sacred scriptures:

"Thou shalt perform deeds that are commendable and no others"

भारतीय सूचना प्रौद्योगिकी संस्थान इलाहाबाद
